10/19/98

Dear Sirs:

Notice is hereby given pursuant to the requirements of Section 403(r) (6) (21 U.S.C. 343 (r) (6) ) of the Federal Food, Drug, and Cosmetic Act and in accordance with the requirements of 21 C.F.R. 101.93, that M.D. Labs, P.O. Box 27776, Tempe, AZ 85282, within the past 30 days commenced marketing a dietary supplement bearing the following statement(s) on the label and/or in the labeling:

**TEXT OF CLAIM**

MRP 44 utilizes 44 grams of MRP1000, a proprietary blend of whey protein concentrates and amino acids, formulated to prevent muscle tissue breakdown and balance nitrogen levels in the body. MRP 44 is fortified with 2 grams of L-Glutamine and 1 gram of Taurine. L-Glutamine is the most important amino acid for strength and endurance athletes. Studies have shown that L-Glutamine supplementation can prevent muscle waisting and produces a potent anti-catabolic effect. Taurine acts as an insulin mimicker and plays a prominent role in cell-volumizing by helping shuttle amino acids and carbohydrates into the muscle. MRP 44 is low in fat (less than 2 grams per serving), has 26 grams of complex carbohydrates with no added sugars, no hydrolyzed oil, and no salt or mono and diglycerides. MRP 44 along with an effective exercise program is designed to enhance your physique, and is the obvious choice for a superior "engineered nutritional drink mix.

**NAME OF INGREDIENT OR SUPPLEMENT THAT IS SUBJECT OF CLAIM**

MRP 44

**NAME OF SUPPLEMENT (INCLUDING BRAND NAME)**

Human Development Technologies - MRP 44

The undersigned certifies that the information contained in this notice is complete and accurate and that M.D. Labs has substantiation that the statement is truthful and not misleading.

Sincerely,  
M.D. Labs

  
Chris La Fleur  
Director of Marketing
